

## QUALITY POLICY

Our Mission at Excel Hydraulics, LLC, is to apply and sustain our Quality Management System in conformity with ISO 9001: 2015 in all aspects of our Operations in order to:

- Understand Our Client Needs, Meet Their Requirements, and Strive to Exceed Their Expectations to Establish a high-level of Customer Satisfaction
- Create & Maintain an Effective, and Safe, Working Environment that encourages our Employees to become fully Involved and contribute in achieving Our Company Business & Quality Objectives and Goals
- Provide & Manage Resources to support Excel Hydraulic Operational Processes
- Achieve an Environment of Continual Improvement across Our Quality Management System

Our company is dedicated to responsiveness and getting our Customers' equipment up and running quickly, correctly, & conveniently.

Committed to **EXCELLENCE**
